

**PERSONNEL**School Bus PrivilegesA. Purpose

To establish policy regarding non-student riders using school transportation services.

B. Employees Using School Transportation

Any employee of the school board may be carried to or from his/her place of employment on a school bus traveling on a regular bus route schedule provided:

1. Written permission has been received in advance from the Director of Pupil Transportation.
2. The seat to be occupied is not required for a student.
3. The employee continues to be employed by the school board.

C. Transportation of Certain Pre-School students

The Superintendent is authorized to permit by regulation a bus driver to be accompanied, on the driver's regular bus run, by the driver's preschool age child, or grandchild, provided that the driver is the parent, legal guardian, or grandparent of the child and further provided that the driver executes and delivers to the board a hold harmless and release instrument absolving the board and its employees of any liability due to injury to the child or the property of the child. In those instances in which the driver is the grandparent of the child, then the parent/guardian shall also be required to execute and deliver to the board said hold harmless and release instrument.
